

4/20/2020

Coaches and Parents,

Thank you for your patience during these uncertain times. With the recent order by Governor Abbott closing schools for the remainder of this school year, the 2020 THSWPA State Meet is now cancelled.

This was an extremely difficult decision but one that was made in the interest of protecting the health and safety of everyone involved with the State Meet.

Unfortunately, since the State Meet is cancelled, we will not be able to award scholarships for this season. Profits from the State meet are used to fund our scholarship program.

We want to thank the lifters and coaches for their dedication and efforts this season.

Thank you and stay strong,

Christian Navarro
President THSWPA
